WESTERN EDUCATIONAL EQUITY ASSISTANCE CENTER

Offering professional development, technical assistance, and resources to ensure that equitable education opportunities are available and accessible for all children.

What We Do

Upon request and without charge or with low cost-sharing, we assist preK-12 educators, public schools (including public charter, magnet, and Career & Technical schools), public school districts, state education agencies, Tribal education agencies, and other responsible governmental agencies to promote and provide equal educational opportunities for all students. Our focus areas are Race, National Origin, Sex, Religion, and other aspects of educational equity. Additional service areas include assistance in increasing student and school safety with programs that can reduce discrimination, sexual harassment, bullying.

Let us customize our services to meet your needs.
